RE: Durham County Superior Court Case

Dear Mr. Kilpatrick:

Thank you for your expert witness assistance in the Gordon case. Your expertise in forklift operations was very helpful in establishing the Defendant's negligence, and in rebutting allegations of contributory negligence. I appreciate the thoroughness with which you evaluated the facts, your suggestions, and your ability to focus on the primary issues that really mattered and were important in the case. I look forward to working with you in the future on other cases.

Very truly yours,

H. Forest Horne
